Academy for Women in Academic Emergency Medicine

AWAEM Gender Specific Research of the Year Award

The Gender Specific Research Award recognizes a male or female faculty member whose outstanding efforts and achievements have promoted gender specific research in Emergency Medicine. The most outstanding peer-reviewed publication focused on gender specific research from the 2015 academic year will be selected.

Eligibility:

1. Female or Male Emergency Medicine Physician
2. Faculty in a U.S. academic Emergency Medicine Department
3. Current SAEM member

Selection Criteria:

Nominees should have:

1. Demonstrated dedication to gender specific research in Emergency Medicine.
2. Outstanding publication in past academic year focused on gender specific research.

Required Documentation:

1. Nominee's CV
2. 2015 academic year publication in peer-reviewed journal focused on gender specific research.

Other supporting documentation, such as additional letters of support or recommendation is optional. These supplemental documents will be reviewed by the awards committee on a time-available basis. Submit ***all*** materials electronically to Christine Babcock at Babcock@uchicago.edu**.**

Deadline:

Feb. 15th, 2016 at 5:00pm EST
