

A scholarship has been established in memory of C. Christopher King, MD, Chair of the Department of Emergency Medicine at Albany Medical College, passed away in late March. The scholarship will honor Dr. King's memory and his impact on academic emergency medicine by providing a scholarship for an emergency medicine physician to attend the Chair Development Program (CDP) starting in 2019.

Dr. King was a valued physician leader, AACEM Executive Committee member, and a tremendous mentor to faculty, residents, and students. Dr. King collaborated enthusiastically with nursing leadership and advanced practice professionals and other allied health professionals to deliver high quality patient care. His enthusiasm for excellence in pediatric emergency care was inspirational. He was the consummate academic emergency physician.
