EDUCATIONAL PROGRAM

1. Program goals

Please describe the goals of the fellowship curriculum

2. Curriculum

Please submit a copy of the two year curriculum of your program and an explanation below of how your curriculum addresses the required curricular elements set forth in the request for application. (The curriculum must address all the administrative elements set forth in the request for application and the majority of the research and/or education elements as set forth in the request for application.)

3. Master’s level training in leadership/administration

Please describe the expectation and process for fellows to pursue Master’s level training (include at least the following elements: is there a formal relationship with a master’s program, is admission automatic or do the fellows need to apply, is there an informal arrangement with such programs, what types of master’s programs are acceptable for the fellowship program, how is time supported for this education?)

4. Additional program Narrative

Please provide a brief overview of additional opportunities within your fellowship program that may not have been covered in the formal curriculum (i.e. research/publication opportunities, career development opportunities, partnerships, and other unique opportunities.

EVALUATION

1. Describe the fellowships’ evaluation process of fellows. It is highly encouraged that there is a formal process with objective criteria. If these criteria exist, please attach a copy to this application. (Areas to be addressed must include formal evaluation of skills/knowledge related to the all of the administrative curricular elements and the majority of the research/education curricular elements set forth in the request for application. In addition it is highly encouraged that the following elements are also included in the fellowship’s evaluation process: leadership skills, negotiation skills, time-management/organizational skills, public speaking/presentation skills, meeting management skills, mentorship skills and career planning skills)

Limit your response to 500 words. (If attaching the formal criteria, this can be excluded from the 500 word limit)

FELLOW CLINICAL PRACTICE

- 1. On average over a year, please list the minimum and maximum clinical hours fellows are expected to work per week.

- 2. Are fellows allowed to participate in additional “moonlighting” clinical hours either at your institution or outside? If so, how are these monitored to ensure that they do not erode from the educational mission of the fellowship?

- 3. Do the fellows practice clinically at the primary fellowship teaching site? If no, please explain the reasoning behind this.

- 4. On average, will fellows have one full day out of seven free from educational and clinical responsibilities?..... () YES () NO

Fellowship Funding

- 1. Please indicate funding policies for salary and support for other expenses incurred by fellows (e.g., master’s degree, travel to meetings to present research, etc.).

GRIEVANCE PROCEDURES

Describe how the program handles complaints or concerns the fellows raise. (The answer must describe the mechanism by which individual fellows can address concerns in a confidential and protected manner, as well as steps taken to minimize fear of intimidation or retaliation. If the fellowship uses the local graduate medical education process, please state this and provide a brief summary of this process.)

MEDICAL INFORMATION ACCESS

- 1. Do fellows have access to clinical databases for operations/quality improvement? () Yes () No
- 2. Are electronic medical literature databases with search capabilities available to fellows?.....() Yes () No

Service

Please describe opportunities for fellows to serve the university, residency, regional, or national community through committee or volunteer service. Provide an explanation of how the program will support the fellows' participation, including financial support and compliance with duty hours. Please enter "N/A" if this opportunity is not available.
