

CURRICULUM VITÆ

TIMOTHY HORECZKO, MD, MSCR, FACEP, FAAP

PERSONAL HISTORY:

Business address: Harbor-UCLA Medical Center
Department of Emergency Medicine
1000 W Carson St, Box 21
Torrance, CA 90509
Work Phone (310) 222-3503
Fax: (310) 212-6101
e-mail: thoreczko@dhs.lacounty.gov

Citizenship: United States of America

EDUCATION AND TRAINING:

University of California – Berkeley Degree: Bachelor of Arts Comparative Literature: Romance, Slavic languages	1997–1999
University of California – Davis Degree: Doctor of Medicine	2001–2005
Harbor-UCLA Medical Center, Torrance, CA Internship in Emergency Medicine	2005–2006
Harbor-UCLA Medical Center, Torrance, CA Residency in Emergency Medicine	2006–2008
Harbor-UCLA Medical Center, Torrance, CA Fellowship in Pediatric Emergency Medicine	2008–2010
University of California – Los Angeles Degree: Master of Science in Clinical Research With Defense of Thesis Department of Biomathematics and David Geffen School of Medicine	2009–2011

LICENSURE:

Physician and Surgeon State of California	A96599	07/2006–
Drug Enforcement Agency	BH9931444	08/2006–

Advanced Cardiac Life Support (ACLS)	2005–
Paramedic Base Station Physician	2006–
Pediatric Advanced Life Support (PALS)	2006–
Pediatric Education for Prehospital Providers (PEPP)	2008–
Neonatal Resuscitation Program (NRP)	2008–
Pediatric Advanced Life Support (PALS) Course Instructor	2008–
Neonatal Resuscitation Program (NRP) Course Instructor	2008–
Advanced Cardiac Life Support (ACLS) Course Instructor	2009–
Advanced Trauma Life Support (ATLS)	2009–
Diplomate, American Board of Emergency Medicine	2009–
Fellow, American Board of Emergency Medicine	2011–
Diplomate, Pediatric Emergency Medicine (ABEM)	2011–
Fellow, American Academy of Pediatrics	2011–

ACADEMIC APPOINTMENTS:

Professor of Clinical Emergency Medicine David Geffen School of Medicine at UCLA Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	2023–
Associate Professor of Clinical Emergency Medicine David Geffen School of Medicine at UCLA Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	2016–2023
Health Sciences Assistant Professor of Medicine David Geffen School of Medicine at UCLA Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	2013–2016
Assistant Professor of Clinical Emergency Medicine Core Faculty, Department of Emergency Medicine UC Davis School of Medicine UC Davis Medical Center Sacramento, CA	2011–2013
Health Sciences Clinical Instructor of Medicine Division of Emergency Medicine David Geffen School of Medicine at UCLA Harbor-UCLA Medical Center Torrance, CA	2008–2011

PROFESSIONAL EXPERIENCE:

Course Assistant, Anatomy Laboratory Human Prosection Program Orange Coast College Costa Mesa, CA	08/94–06/97
Physical Therapy Aide Palos Verdes Rehabilitation Clinic San Pedro, CA	09/94–09/96
Course Assistant, Physical Anthropology Instituto Centroamericano de Asuntos Internacionales (ICAI) San Jose, Costa Rica	01/95–06/95
Emergency Department Clerk (EDC) and Emergency Medical Technician (EMT) San Pedro Peninsula Hospital San Pedro, CA	09/96–06/97
Physical Therapy Intern Sanatorio Moreno Rafaela, Argentina	06/98–08/98
Resident Assistant and Night Supervisor International House at UC Berkeley Berkeley, CA	09/98–05/99
Unit Secretary and Medical Technician Maternal and Children's Hospital Long Beach Memorial Medical Center Long Beach, CA	06/99–06/01
Spanish Language Instructor Our Lady of Refuge Elementary School Long Beach, CA	09/99–06/00
Medical Student Co-Director Clínica Tepati Sacramento, CA	2002–2005
Resident Physician, Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	2005–2008

Fellow, Pediatric Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	2008–2010
Attending Physician Long Beach Memorial Medical Center Long Beach, CA	2008–2015
Attending Physician Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	2013 –
Associate Program Director Pediatric Emergency Medicine Fellowship Departments of Emergency Medicine and Pediatrics Harbor-UCLA Medical Center Torrance, CA	2019–2022
Program Director Pediatric Emergency Medicine Fellowship Departments of Emergency Medicine and Pediatrics Harbor-UCLA Medical Center Torrance, CA	2022–

PROFESSIONAL ACTIVITIES:

Professional Service

American Board of Emergency Medicine (ABEM) Delegate American Board of Pediatrics Emergency Medicine Accreditation Sub-board Committee Chappell Hill, NC	2017–
American Board of Pediatrics Emergency Medicine Credentials Committee Chappell Hill, NC	2018–2020
American Board of Pediatrics Emergency Medicine Credentials Committee (<i>ex officio</i>) Chappell Hill, NC	2020–2022
American Board of Emergency Medicine New Advances Committee East Lansing, MI	2019–2021

Chair American Board of Pediatrics Emergency Medicine Sub-board Chappell Hill, NC	2020 – 2022
American Board of Emergency Medicine Key Advances Committee (Renamed from New Advances Committee) East Lansing, MI	2021–
Research Service	
Founding Director Research Associates in the Department of Emergency Medicine (RAD-EM) Harbor-UCLA Medical Center	2014–2017
Editorial Service	
Co-Editor-In-Chief, Journal <i>Pediatric Emergency Medicine Practice</i> Evidence Based Medicine Norcross, GA	2017–
Editorial Board, Sierra Sacramento Valley Medical Society <i>Sierra Sacramento Valley Medicine</i>	2002–2005
Editor, Hematologic Emergencies <i>PEMSoft–The Pediatric Emergency Medicine Software</i>	
Reviewer, Clinical Research <i>Pediatrics</i>	2011–2021
Reviewer, Clinical Research <i>Annals of Emergency Medicine</i>	
Special Guest Editor, Pediatric Procedural Sedation Series <i>Current Opinion in Anesthesiology</i>	2015–2016
International Member, Media Medics <i>Broadcasting organization for physicians in media</i>	

Committee Service, International

Planning Committee Pediatric Sedation Outside of the Operating Room International Multidisciplinary Conference Boston Children's Hospital / Harvard Medical School	2014–2017
Organizing Committee Social Media and Critical Care (smacc) Pediatrics (smaccmini) Berlin, Germany	2016–2017
Organizing Committee International Pediatric Acute Care Symposium <i>Don't Forget the Bubbles</i> Conference Brisbane, Queensland Commonwealth of Australia	2016–2017

Committee Service, National

Steering Committee and National Faculty Advanced Pediatric Life Support (APLS) American College of Emergency Physicians (ACEP) Representative	2014–2019
Pediatric Emergency Medicine Committee American College of Emergency Physicians (ACEP)	2015–2020
Social Media Representative (Tweetiatician) Department of Public Affairs American Academy of Pediatrics (AAP)	2016–
Steering Committee Annual Assembly American College of Emergency Physicians California Chapter (Cal/ACEP)	2016–2018
Steering Committee Advanced Pediatric Assembly American College of Emergency Physicians (ACEP) Orlando, FL	2017–2018
Chair Advanced Pediatric Emergency Medicine Assembly American College of Emergency Physicians (ACEP) Anaheim, CA	2018–2019

Steering Committee Advanced Pediatric Assembly American College of Emergency Physicians (ACEP) New York, NY	2019–2020
Steering Committee Advanced Pediatric Assembly American College of Emergency Physicians (ACEP) Virtual	2020–2021
Steering Committee Advanced Pediatric Assembly American College of Emergency Physicians (ACEP) New York NY	2021–2023
Health System Service	
Director, Pediatric Advanced Life Support (PALS) UC Davis Health System	2011–2013
Liaison to the Ambulatory Care Network Los Angeles County Department of Health Services	2013–2015
Foreign Language Liaison and Spokesman Emergency Operations Center and Office of Emergency Management, Public Section Los Angeles County Department of Health Services	2014–2022
Committee Service, Institutional	
Committee on Educational Policy Student Representative University of California – Davis School of Medicine	2001–2005
Pediatric Community Council Harbor-UCLA Pediatric Emergency Medicine	2006–2011
South Bay Disaster Resource Center Torrance, CA	2007–2008
Pediatric Emergency Medicine Quality Improvement Committee Department of Emergency Medicine UC Davis Medical Center	2012–2013
Night Shift Task Force Department of Emergency Medicine UC Davis Medical Center	2012–2013

Continuous Quality Improvement Committee Department of Emergency Medicine UC Davis Medical Center	2012–2013
Pediatric Sepsis Management Task Force UC Davis Health System	2013
Pediatric Community Council Harbor-UCLA Pediatric Emergency Medicine	2013–
Kaizen Emergency Patient Flow Committee Harbor-UCLA Medical Center	2013–
Bioethics Committee Harbor-UCLA Medical Center	2014–
Chair Search Committee Department of Emergency Medicine David Geffen School of Medicine University of California at Los Angeles	2014–2016
American Board of Emergency Medicine (ABEM) Maintenance of Certification Task Force Department of Emergency Medicine Harbor-UCLA Medical Center	2014
Opioid Stewardship Committee Harbor-UCLA Medical Center	2018–2020
Pharmaceuticals and Therapeutics Committee Harbor-UCLA Medical Center	2018–
Clinical Laboratory Committee Harbor-UCLA Medical Center	2023–
Community Service	
International House Council Vice Chair, UC Berkeley Berkeley, CA	1997–1998
Clínica Tepati Medical Student Co-Director Sacramento, CA	2002–2005
WikEM Academic Advisor Global	2015–

Mentoring Service

Samuel Clarke, MD	2010–2013
Carol Lee, MD	2010–2013
Lusana Schutz, DO	2011–2014
Zachary Soucy, DO	2012–2015
Daniel Runde, MD	2013–2014
Andrea Fang, MD	2013–2015
Anand Narayan, MD	2013–2015
Dipesh Patel, MD	2013–2016
Manpreet Singh, MD	2014–
Young-Hoon Yoon, MD	2015–2016

Professional and Scholarly Associations

Emergency Medicine Residents Association	2003–2008
Ukrainian Medical Association of North America	2003–
The Washington Group	2003–
Professional Staff Association Memorial Care Physician Society	2008–2016
Professional Staff Association Harbor-UCLA Medical Center	2008–
Society for Academic Emergency Medicine	2008–
American College of Emergency Physicians Active Member	2008–
Resident Member	2005–2008
Student Member	2003–2005
International Society for Bayesian Analysis	2010–2015

Leadership Training

Transforming the Organization through People (TOP) 2023
Leadership Development Program
Los Angeles County
Department of Health Services

Consultation Service

University of South Alabama Health System 2015–2016
Children’s and Women’s Hospital
Mobile, AL

Site survey, in-depth analysis of current state. Constructed a strategy to optimize resources, become an Emergency Department Approved for Pediatrics (EDAP), and eventually a Pediatric Critical Care Center (PCCC) and Pediatric Center of Excellence. Strategy for creating new residency in Emergency Medicine, comprehensive vision design for integration into University of South Alabama Health System.

PATENT

Adjustably Controlling Rescue or Assisted Breaths.

Inventors: Marianne Gausche-Hill and Timothy Horeczko

US Patent No. 15547297 2016-01-29

This application is a national phase entry of PCT/US2016/015803, filed Jan. 29, 2016, which claims the benefit of U.S. provisional patent application No. 62/109,181, filed Jan. 29, 2015.

Available at: <https://patents.google.com/patent/US20180021533A1/en>

HONORS AND SPECIAL AWARDS:

Herman R. Tate Citizenship Scholarship Orange Coast College, Costa Mesa, CA	1997
Daniel Health Scholarship Orange Coast College, Costa Mesa, CA	1997
Leadership Council's Stone Award University of California – Davis School of Medicine	2003
MacKenzie Merit Scholarship University of California – Davis School of Medicine	2003, 2004
Medical Student Teaching Award Harbor-UCLA Medical Center Department of Emergency Medicine	2007–2008
Fellow Teaching Award (1 st Annual) Harbor-UCLA Medical Center Department of Emergency Medicine	2010–2011
Academic Teacher of the Year University of California Davis Health System Department of Emergency Medicine	2011–2012
Faculty Teaching Award Harbor-UCLA Medical Center Department of Emergency Medicine	2013–2014
Excellence in Education Award Society for Academic Emergency Medicine	2022

RESEARCH GRANTS RECEIVED:

1. U.S. Department of Health and Human Services – Health Resources and Services Administration, Maternal and Child Health Bureau
Emergency Medical Services for Children State Partnership
Regionalization of Care Grant: 1 H3AMC24073-01-00

Principal Investigator, *Years One and Two* 2012–2018
In-kind Consultant, *Years Three and Four*
In-Kind Consultant, *Years Five and Six (renewal)*

Transport of Acutely ill and injured Children To Institutions of higher Care from Allied Localities (TACTICAL)–North Coast, California

Effort: 20%	Direct Costs: YEAR ONE	\$ 199,964.00
	Direct Costs: YEAR TWO	\$ 199,984.00
In-kind Consultant	Direct Costs: YEAR THREE	\$ 199,997.00
	Direct Costs: YEAR FOUR	\$ 199,970.00

Projected Duration: Four Years; Total Direct \$ 799,915.00

2. National Institute on Alcohol Abuse and Alcoholism (NIAAA)
Principal Investigator, James G Linakis, PhD, MD
Prime award no.: 1R01AA21900-01, Sub-award no: 701-5475-1-CA

Site Investigator 2012–2013

Teen Alcohol Screening in the Pediatric Emergency Care Applied Research Network (PECARN)

Effort: 5%	Direct Costs: YEAR ONE	\$ 20,526.00
------------	------------------------	--------------

3. United States Air Force–Air Force Materiel Command
Air Force Research Laboratory, Wright Research Site
Award no.: BAA AFRL-RQKHC-2016-0009

Co-Investigator 2016–2018

Sub-dissociative Dose Ketamine for Treatment of Acute Pain in Subjects with Chronic Pain: A Randomized Control Study

Effort: 10%	Direct Costs: YEAR ONE	\$349,485.00
	Direct Costs: YEAR TWO	\$349,485.00

Project Duration: Two Years; Total Direct \$698,970.00

LECTURES AND PRESENTATIONS:**International Lectures**

Emergency Medicine at Sea Seascape Sailing Kos, Greece	06/2005
Essentials of Pediatric Anatomy and Physiology in Sedation Pediatric Sedation Outside of the Operating Room: International Multi-disciplinary Symposium Sponsored by Harvard Medical School / Boston Children's Hospital San Francisco, CA	09/2012

Myocardial Infarction in Children Grand Rounds Department of Emergency Medicine Stanford University Medical Center Palo Alto, CA	09/2020
Hypertensive Emergencies in Children Grand Rounds Department of Emergency Medicine Stanford University Medical Center Palo Alto, CA	09/2020
Your Environment is Out to Get You: Environmental Injuries in Children Anatomy and Physiology Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	11/2022
Your Environment is Out to Get You: Environmental Injuries in Children Barotrauma Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	11/2022
Your Environment is Out to Get You: Environmental Injuries in Children Inhalational Injuries Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	11/2022
Abdominal Exam in Children Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	01/2023

Surgical Abdominal Emergencies in Children Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	01/2023
Cognitive Biases in Medicine Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	01/2023
Pediatric Vital Signs in Children: What are We Missing? Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	03/2023
The Unvaccinated Child in the Emergency Department Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	03/2023
Myocarditis Grand Rounds Department of Emergency Medicine University of California, Irvine and Children's Hospital Orange County Irvine, CA	03/2023

Faculty Lectures

Introduction to Pediatric Emergency Medicine Emergency Medicine Clerkship (EMR 440) and Pediatric Emergency Medicine (EMR 470) UC Davis Medical Center Sacramento, CA	10/2011
Critical Skills in Pediatric Emergency Medicine: Pediatric Airway Management Emergency Medicine Clerkship (EMR 440) and Pediatric Emergency Medicine (EMR 470) UC Davis Medical Center Sacramento, CA	10/2011
Care of the Technologically Dependent Child in the PED Emergency Medicine Grand Rounds UC Davis Medical Center Sacramento, CA	10/2011
Adults Are Just Big Kids: "Pediatric" Disorders in Adults Emergency Medicine Grand Rounds UC Davis Medical Center Sacramento, CA	01/2012
Safe Sedation Practices in Pediatrics Pediatrics Grand Rounds UC Davis Medical Center Sacramento, CA	04/2013
Congenital Heart Disease: What Every Emergency Physician Should Know Emergency Medicine Grand Rounds UC Davis Medical Center Sacramento, CA	05/2013
The Undifferentiated Sick Infant: When Sepsis Makes You Stop Thinking Pediatric Emergency Medicine Fellowship Conference Harbor-UCLA Medical Center Torrance, CA	08/2013
Physiologic Monitoring in Sedation Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	10/2013

Non-pharmacologic Strategies in Sedation Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	10/2013
Pharmacology of Sedation: A Broad Review Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	10/2013
Carpe Patientem: Pediatric Status Epilepticus in 2013 Pediatric Emergency Medicine Fellowship Conference Harbor-UCLA Medical Center Torrance, CA	11/2013
Congenital Heart Disease: What Every Emergency Physician Should Know Emergency Medicine Grand Rounds Harbor-UCLA Medical Center Torrance, CA	12/2013
Difficult Intravenous Access in Children: an Illustrative Case Study Combined Conference, Departments of Pediatrics and Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	01/2014
Pediatric Dysrhythmias: What Your <i>PALS</i> Won't Tell You Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	03/2014
Tiny Veins, Big Problems: Approach to Pediatric Vascular Access Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	09/2014
Myocarditis: Simulation-based Review Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	03/2015

Pediatric Critical Care Concepts Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	03/2015
Foreign Bodies in the Ears, Nose, and Throat in Children Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	04/2015
Care of the Technologically Dependent Child in the ED Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	05/2015
Management of Pediatric Dysrhythmias Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	07/2015
Advanced Airway Workshop: Fellows' Conference Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	08/2015
Pediatric Airway Management Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	08/2015
Adventures in Rapid Sequence Intubation Department of Emergency Medicine Children's Hospital of Orange County (CHOC) Torrance, CA	09/2015
Emergency Medicine Cases: Medical Decision Workshop Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	01/2016
Pediatric Emergency Medicine Literature Update Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	01/2016

Pediatric Emergency Medicine Literature Update Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	07/2016
Something Wheezing this Way Comes: The Mysteries and Remedies of Bronchiolitis Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	12/2016
Case from the Base: Pediatric Syncope Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	12/2016
Pediatric Urinary Tract Infections Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	03/2017
Pediatric Abdominal Surgical Emergencies Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	03/2017
Myocardial Infarction in Children Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	04/2017
Caustic Ingestions Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	04/2017
Painless Unilateral Vision Loss: Workshop Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	04/2018
Acute Kidney Injury: Workshop Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	04/2018

Wearable External Cardioverter-Defibrillators: Workshop Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	04/2018
Concussion: Workshop Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	08/2018
Cognitive Biases: Workshop Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	04/2019
Feedback Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	06/2019
How to be an EtCO2 Ninja Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	01/2020
Overdose: Too Hot! Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	11/2021
Fireworks Injuries and Prevention Department of Pediatrics Grand Rounds Harbor-UCLA Medical Center Torrance, CA	08/2022
The Unvaccinated Child in the ED: What Now? Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	10/2022
Approach to Abdominal Pain in Children Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	02/2023

Hemolytic Uremic Syndrome 02/2023
Department of Emergency Medicine
Harbor-UCLA Medical Center
Torrance, CA

Community Lectures

Medicine as a Career: Making the Case to Yourself 04/2012
Sponsored by the American Medical Student Association
Pre-medical Chapter, and the Health Sciences Advising Department
University of California, Davis
Davis, CA

Therapeutic Hypothermia and Targeted Temperature Management After Cardiac Arrest 06/2014
Palmdale Regional Medical Center
Palmdale, CA

Tiny Veins, Big Problems: Approach to Pediatric Vascular Access 09/2014
Emergency Medicine Conference
St Francis Medical Center
Lynwood, CA

Patient-Centered Outcomes Research 07/2015
UCLA Clinical and Translational Science Institute
Los Angeles Biomedical Research Institute at Harbor-UCLA Medical Center
Torrance, CA

How to Be a Better Advocate in the Hospital 01/2018
Rotary International
Redondo Beach, CA

Fellow Lectures

Combined Pediatric Emergency Medicine and Pediatric Critical Care Conference 09/2008
Etomidate in Critical Pediatric Patients
Harbor-UCLA Medical Center
Torrance, CA

Use of the Laryngeal Mask Airway 09/2008
South Bay Emergency Departments Approved for Pediatrics (EDAP) Conference
Fort MacArthur, CA

Diagnostic Radiation in the Emergency Department Department of Emergency Medicine Harbor-UCLA Medical Center Torrance, CA	09/2008
Difficult Discussions in the Emergency Department Pediatric Emergency Medicine Conference Harbor-UCLA Medical Center Torrance, CA	09/2008
Pediatric Emergency Medicine Emergency Medicine Student Symposium UC Irvine School of Medicine Irvine, CA	02/2009
The Sick Neonate Pediatric Emergency Medicine Conference Harbor-UCLA Medical Center Torrance, CA	02/2009
Approach to Neck Masses Pediatric Emergency Medicine Conference Harbor-UCLA Medical Center Torrance, CA	02/2009
The Critically Ill Neonate Emergency Medicine Grand Rounds Los Angeles County-USC Medical Center Los Angeles, CA	05/2009
Approach to Neck Masses Emergency Medicine Grand Rounds Los Angeles County-USC Medical Center Los Angeles, CA	05/2009
Pediatric Dysrhythmias Harbor-UCLA Medical Center Torrance, CA	09/2009

Senior Resident Compendium Lectures

Harbor-UCLA Medical Center, Torrance, CA	2007–2008
Acute Lung Injury / Acute Respiratory Distress Syndrome	
Adrenal Insufficiency	
Approach to Dizziness	
Approach to Shock	
Beta-Blocker Toxicity	
Calcium-Channel Toxicity	
Hyperthyroidism	
Hypothyroidism	
Injuries to the Hand	
Mandibular Dislocation	
Minor Burns	
Serotonin Syndrome	
Subarachnoid Hemorrhage	
Toxicologic Emergencies	
Tracheostomy Troubleshooting	

Resident Lectures

Evaluation of the Cervical Spine Department of Surgery, Harbor-UCLA Medical Center Harbor-UCLA Medical Center Torrance, CA	07/2005
Idiopathic Thrombocytopenic Purpura Emergency Medicine Grand Rounds Harbor-UCLA Medical Center Torrance, CA	09/2006
Regional Facial Anesthesia Emergency Medicine Procedural Conference Harbor-UCLA Medical Center Torrance, CA	01/2007
Transient Ischemic Attack Emergency Medicine Grand Rounds Harbor-UCLA Medical Center Torrance, CA	04/2007
Small Bowel Injury Emergency Medicine/Trauma Grand Rounds Harbor-UCLA Medical Center Torrance, CA	09/2007

Carbon Monoxide Poisoning 11/2007
Emergency Medicine Grand Rounds
Harbor-UCLA Medical Center
Torrance, CA

Cardiac Pacing 01/2008
Grand Rounds Procedural Conference
Harbor-UCLA Medical Center
Torrance, CA

Evaluation of the Cervical Spine 05/2008
Medical Student Conference
Department of Emergency Medicine
Harbor-UCLA Medical Center
Torrance, CA

26. **Horeczko T** (Author, Moderator). (November 27, 2012). Hyperglycemia and Acute Illness [Blog Post; approach to unexpected hyperglycemia in a school-aged child]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/11-2012>
27. **Horeczko T** (Author, Moderator). (December 4, 2012). Recurrent Urinary Tract Infection [Blog Post; an unusual cause of recurrent UTI: xanthogranulomatous pyelonephritis]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/12-2012>
28. **Horeczko T** (Author, Moderator). (December 10, 2012). Odd-Shaped Head [Blog Post; a review of plagiocephaly and approach to evaluation and follow-up]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/12-2012>
29. **Horeczko T** (Author, Moderator). (December 17, 2012). Can I get my MRI now? [Blog Post; evidenced-based approach to the swollen knee]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/12-2012>
30. **Horeczko T** (Author, Moderator). (January 8, 2013). Ingestion [Blog Post; poisoning in a toddler and series review of mercury poisoning]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/01-2013>
31. **Horeczko T** (Author, Moderator). (January 14, 2013). Agitated Man [Blog Post; morbidity, mortality, and stabilization of a man with agitated delirium]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/01-2013>

32. **Horeczko T** (Author, Moderator). (January 21, 2013). Newborn in Distress [Blog Post; a case of neonatal resuscitation at delivery]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/01-2013>
33. **Horeczko T** (Author, Moderator). (January 28, 2013). Fatigue in a Patient with a Pacemaker [Blog Post; approach to troubleshooting pacemaker malfunction]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/01-2013>
34. **Horeczko T** (Author, Moderator). (February 3, 2013). Bloody Stool [Blog Post; evaluation of bloody stools in infants]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/02-2013>
35. **Horeczko T** (Author, Moderator). (February 11, 2013). Constipation [Blog Post; complications of spina bifida and special considerations]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/02-2013>
36. **Horeczko T** (Author, Moderator). (February 18, 2013). Cystic Fibrosis and Respiratory Distress [Blog Post; treatment of decompensated respiratory distress in cystic fibrosis]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/02-2013>
37. **Horeczko T** (Author, Moderator). (February 25, 2013). Missing Murmur [Blog Post; identification and stabilization of patient with acute heart valve failure]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/02-2013>
38. **Horeczko T** (Author, Moderator). (March 4, 2013). Dysuria [Blog Post; special considerations in a boy with hypospadias and urinary infection]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/03-2013>
39. **Horeczko T** (Author, Moderator). (March 10, 2013). Cough [Blog Post; an evidence-based and public health approach to pertussis]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/03-2013>

40. **Horeczko T** (Author, Moderator). (March 18, 2013). Vomiting [Blog Post; case of child abuse presenting with a common complaint]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/03-2013>
41. **Horeczko T** (Author, Moderator). (March 25, 2013). Syncope in Triage [Blog Post; use of bedside ultrasound for undifferentiated shock]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/03-2013>
42. **Horeczko T** (Author, Moderator). (March 31, 2013). Fever [Blog Post; a case of acute lymphoblastic leukemia (ALL) masquerading as a cold]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/03-2013>
43. **Horeczko T** (Author, Moderator). (April 7, 2013). Precipitous Delivery [Blog Post; maneuvers for shoulder dystocia]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/04-2013>
44. **Horeczko T** (Author, Moderator). (April 14, 2013). Trouble Afoot [Blog Post; differential diagnosis in disorders of the base of the 5th metatarsal]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/04-2013>
45. **Horeczko T** (Author, Moderator). (April 21, 2013). Just Inked [Blog Post; a rare review of the medical implications of tattooing]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/04-2013>
46. **Horeczko T** (Author, Moderator). (April 28, 2013). Huffing and Puffing [Blog Post; the varied presentations of cardiac and pulmonary shunts]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/04-2013>
47. **Horeczko T** (Author, Moderator). (May 5, 2013). Stand and Deliver [Blog Post; troubleshooting and treatment of prolonged QT]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/05-2013>
48. **Horeczko T** (Author, Moderator). (May 12, 2013). Bump in the Night [Blog Post; presentation of Sinus Pericranii]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/05-2013>

49. **Horeczko T** (Author, Moderator). (May 19, 2013). Slow and Not So Steady [Blog Post; the dangers of polypharmacy in the elderly]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/05-2013>
50. **Horeczko T** (Author, Moderator). (May 26, 2013). Wide Open [Blog Post; massive blood product transfusion protocol in children]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/05-2013>
51. **Horeczko T** (Author, Moderator). (June 2, 2013). Puffy Belly [Blog Post; post-operative complications of cholecystectomy and pneumobilia review]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/06-2013>
52. **Horeczko T** (Author, Moderator). (June 9, 2013). Take a Knee [Blog Post; knee pain and an occult Segond fracture]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/06-2013>
53. **Horeczko T** (Author, Moderator). (June 16, 2013). Flat Out Odd [Blog Post; unusual presentation of a pulmonary shunt and platypnea]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/06-2013>
54. **Horeczko T** (Author, Moderator). (June 23 2013). For Crying Out Loud [Blog Post; differential diagnosis and treatment of stroke in infants]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/06-2013>
55. **Horeczko T** (Author, Moderator). (July 7, 2013). Groin Pains [Blog Post; groin masses in infants]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/07-2013>
56. **Horeczko T** (Author, Moderator). (July 14 2013). Breathing Not Properly [Blog Post; acute and chronic presentations of critical aortic stenosis]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/07-2013>
57. **Horeczko T** (Author, Moderator). (July 21, 2013). Under Pressure [Blog Post; review of the benign and malignant causes of bulging fontanelle]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/07-2013>

58. **Horeczko T** (Author, Moderator). (July 28, 2013). Trial By Fire [Blog Post; identification and treatment of heat-related illness]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/07-2013>
59. **Horeczko T** (Author, Moderator). (August 9, 2013). Casus 'Belly' [Blog Post; Wilms' tumor masquerading as constipation]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/08-2013>
60. **Horeczko T** (Author, Moderator). (August 16, 2013). From Bad to Worse [Blog Post; acute neurogenic pulmonary edema after subarachnoid hemorrhage]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/08-2013>
61. **Horeczko T** (Author, Moderator). (August 23, 2013). Red All Over [Blog Post; varied presentation of scabies in infants and young children]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/08-2013>
62. **Horeczko T** (Author, Moderator). (August 30, 2013). Tired [Blog Post; atypical presentations of acute coronary syndrome in women]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/08-2013>
63. **Horeczko T** (Author, Moderator). (September 6, 2013). Keep It Down Now [Blog Post; evidence-based approach to treatment of acute gastroenteritis]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/09-2013>
64. **Horeczko T** (Author, Moderator). (September 13, 2013). Swollen [Blog Post; approach to heart failure and prioritization of therapy]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/09-2013>
65. **Horeczko T** (Author, Moderator). (September 20, 2013). Simmer Down Now [Blog Post; approach to the child with behavioral or psychiatric emergency]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/09-2013>

66. **Horeczko T** (Author, Moderator). (September 27, 2013). [Blog post; elusive presentation: Postural Orthostatic Tachycardia Syndrome (POTS)]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/09-2013>
67. **Horeczko T** (Author, Moderator). (October 4, 2013). Incidental or Consequential? [Blog Post; approach to bone cysts in children]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/10-2013>
68. **Horeczko T** (Author, Moderator). (November 1, 2013). In for a Penny, in for a Pound [Blog Post; peripheral vasopressors and critical review of the literature]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/11-2013>
69. **Horeczko T** (Author, Moderator). (November 15, 2013). We Got Your Back [Blog Post; varied presentations of tuberculosis in multisystem review]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/11-2013>
70. **Horeczko T** (Author, Moderator). (December 11, 2013). Make or Break [Blog post; a review of the uncommon sterno-costal subluxation]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/12-2013>
71. **Horeczko T** (Author, Moderator). (January 30, 2014). By the Way... [Blog Post; elusive presentation of adrenal insufficiency and shock]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/01-2014>
72. **Horeczko T** (Author, Moderator). (March 23, 2014). Typical Teenager [Blog Post; identification and stabilization of baclofen pump overdose]. Retrievable at <http://www.mededmasters.com/clinical-case-series/archives/03-2014>

Pediatric Emergency Playbook

Creator, producer, and host of medical educational monthly podcast, in a unique format of “personalized” one-on-one lectures for the digital age, covering state-of-the-art approach and management of pediatric emergencies. <http://PEMplaybook.org/>

1. **Horeczko T** (Author, Host, Producer). (September 1, 2015). The Undifferentiated Sick Infant [Podcast and Written Summary; discussion on approach to identifying subtle, yet life-threatening disease in the newborn and infant]. Retrievable at <http://pemplaybook.org/podcast/the-undifferentiated-sick-infant/>
2. **Horeczko T** (Author, Host, Producer). (September 1, 2015). Pediatric Status Epilepticus [Podcast and Written Summary; Systematic approach to escalation in care of critically ill children with persistent seizure activity]. Retrievable at <http://pemplaybook.org/podcast/131/>
3. **Horeczko T** (Author, Host, Producer). (September 1, 2015). Intranasal Medications [Podcast and Written Summary; a review and practical use of medications given intranasally for pain control, sedation, seizure activity, and more]. Retrievable at <http://pemplaybook.org/podcast/intranasal-medications-and-you/>
4. **Horeczko T** (Author, Host, Producer). (October 1, 2015). The Technologically Dependent Child in the Emergency Department [Podcast and Written Summary; helping the provider understand the common emergencies involved in tracheostomies, ventriculoperitoneal shunts, gastric tubes, and vascular devices]. Retrievable at <http://pemplaybook.org/podcast/234/>
5. **Horeczko T** (Author, Host, Producer). (November 1, 2015). Adventures in RSI [Podcast and Written Summary; a deep-dive into the advanced decision-making of rapid sequence intubation (RSI) in critically ill children]. Available at <http://pemplaybook.org/podcast/adventures-in-rsi/>
6. **Horeczko T** (Author, Host, Producer). (December 1, 2015). Electrical Injuries: The Subtle and the Shocking [Podcast and Written Summary; review of the approach to the child, adolescent, and adult after electrical injury, from minor exposure to lightning strike and resuscitation]. Retrievable at <http://pemplaybook.org/podcast/electrical-injuries-hertz-so-bad/>

7. **Horeczko T** (Author, Host, Producer). (January 1, 2016). Vomiting: Nothing or Nightmare [Podcast and Written Summary' case-based scenarios of not-to-miss causes of vomiting in the neonate, infant and toddler, and the school-aged child]. Retrievable at <http://pemplaybook.org/podcast/vomiting-in-the-young-child-nothing-or-nightmare/>
8. **Horeczko T** (Author, Host, Producer). (February 1, 2016). Multisystem Trauma in Children, Part One: Airway, Chest Tubes, and Resuscitative Thoracotomy [Podcast and Written Summary; in-depth review of life-saving and heroic procedures in acutely injured children]. Retrievable at <http://pemplaybook.org/podcast/multisystem-trauma-in-children-part-one-airway-chest-tubes-and-resuscitative-thoracotomy/>
9. **Horeczko T** (Author, Host, Producer). (March 1, 2016). Multisystem Trauma in Children, Part Two: Massive Transfusion, Trauma Imaging, and Resuscitative Pearls [Podcast and Written Summary; in-depth review of massive transfusion protocols in children, thromboelastography, imaging modalities and non-operative management]. Retrievable at <http://pemplaybook.org/podcast/multisystem-trauma-in-children-part-two-massive-transfusion-trauma-imaging-and-resuscitative-pearls/>
10. **Horeczko T** (Author, Host, Producer). (April 1, 2016). Big Labs, Little People [Podcast and Written Summary; novel side-by-side evidence comparison of the use of high-risk laboratory tests troponin, brain natriuretic peptide, d-dimer, and lactate in children versus adults]. Retrievable at <http://pemplaybook.org/podcast/big-labs-little-people-troponin-bnp-d-dimer-and-lactate/>
11. **Horeczko T** (Author, Host, Producer). (May 1, 2016). Altered Mental Status in Children [Podcast and Written Summary; approach to the child with abnormal behavior and differential diagnosis]. Retrievable at <http://pemplaybook.org/podcast/altered-mental-status-in-children/>
12. **Horeczko T** (Author, Host, Producer). (June 1, 2016). Approach to Shock [Podcast and Written Summary; approach to shock, differentiation and action items]. Retrievable at <http://pemplaybook.org/podcast/approach-to-shock/>

13. **Horeczko T** (Author, Host, Producer). (July 1, 2016). Please, Just STOP LIMPING! [Podcast and Written Summary; evaluation of the limping child and refusal to walk]. Retrievable at <http://pemplaybook.org/podcast/please-just-stop-limping/>
14. **Horeczko T** (Author, Host, Producer). (August 1, 2016). Subcutaneous Rehydration. [Podcast and Written Summary; performing hypodermoclysis safely and effectively]. Retrievable at <http://pemplaybook.org/podcast/subcutaneous-rehydration/>
15. **Horeczko T** (Author, Host, Producer). (September 1, 2016). Pediatric Headache: Some Relief for All. [Podcast and Written Summary; approach to children with headaches; pitfalls; imaging; treatment]. Retrievable at <http://pemplaybook.org/podcast/pediatric-headache-some-relief-for-all/>
16. **Horeczko T** (Author, Host, Producer). (October 1, 2016). Gastrointestinal Bleeding in Children. [Podcast and Written Summary; etiology, management by age]. Retrievable at <http://pemplaybook.org/podcast/gi-bleeding-in-children/>
17. **Horeczko T** (Author, Host, Producer). (November 1, 2016). Elbow Injuries in Children. [Podcast and Written Summary; patterns of injury, interpreting films, management]. Retrievable at <http://pemplaybook.org/podcast/pediatric-elbow-injuries/>
18. **Horeczko T** (Author, Host, Producer). (December 1, 2016). Bronchiolitis. [Podcast and Written Summary; importance of definitions, controversy, state-of-the-art management, new horizons in care]. Retrievable at <http://pemplaybook.org/podcast/bronchiolitis/>
19. **Horeczko T** (Author, Host, Producer). (January 1, 2017). Pediatric Pain. [Podcast and Written Summary; physiology, modalities, cutting edge research and practice]. Retrievable at <http://pemplaybook.org/podcast/pediatric-pain/>
20. **Horeczko T** (Author, Host, Producer). (February 1, 2017). Urine Trouble. [Podcast and Written Summary; implementation of guidelines, guidance in approach to fever without a source, pathophysiology, differential diagnosis and troubleshooting]. Retrievable at <http://pemplaybook.org/podcast/urine-trouble/>

21. **Horeczko T** (Author, Host, Producer). (March 1, 2017).
Supraglottic Airways. [Podcast and Written Summary; approach to the anticipated difficult and failed airway; pros and cons of various available rescue airways]. Retrievable at <http://pemplaybook.org/podcast/supraglottic-airways/>
22. **Horeczko T** (Author, Host, Producer). (April 1, 2017).
Foreign Bodies in the Head and Neck. [Podcast and Written Summary; diagnosis, management, practical guide to foreign bodies in the ear, nose, and throat]. Retrievable at <http://pemplaybook.org/podcast/foreign-bodies-in-the-head-and-neck/>
23. **Horeczko T** (Author, Host, Producer). (May 1, 2017).
Neonatal Jaundice. [Podcast and Written Summary; identification and management of the mundane and critical care of hyperbilirubinemia in the newborn]. Retrievable at <http://pemplaybook.org/podcast/neonatal-jaundice/>
24. **Horeczko T** (Author, Host, Producer). (June 1, 2017).
MI in Children. [Podcast and Written Summary; identification and risk stratification of acute heart disease in children]. Retrievable at <http://pemplaybook.org/podcast/mi-in-children/>
25. **Horeczko T** (Author, Host, Producer). (July 1, 2017).
Vaccine-Preventable Illness, Part One. [Podcast and Written Summary; recognition and treatment of “old-fashioned” diseases that are making a comeback]. Retrievable at <http://pemplaybook.org/podcast/vaccine-preventable-illnesses-part-1/>
26. **Horeczko T** (Author, Host, Producer). (August 1, 2017).
The Pediatric Surgical Abdomen. [Podcast and Written Summary; Approach to life-threatening surgical causes of abdominal pain]. Retrievable at <http://pemplaybook.org/podcast/the-pediatric-surgical-abdomen/>
27. **Horeczko T** (Author, Host, Producer). (September 1, 2017).
Vaccine-Preventable Illness, Part Two. [Podcast and Written Summary; second half of the “deadly 13” in the modern age]. Retrievable at <http://pemplaybook.org/podcast/vaccine-preventable-illnesses-part-2/>

28. **Horeczko T** (Author, Host, Producer). (October 1, 2017). The Higher-Tech Kid. [Podcast and Written Summary; advanced technologic devices, VNS, intrathecal pumps, VADs]. Retrievable at <http://pemplaybook.org/podcast/the-higher-tech-kid-in-the-ed/>
29. **Horeczko T** (Author, Host, Producer). (November 1, 2017). Blunt Head Trauma in Children. [Podcast and Written Summary; minor blunt head trauma decision making]. Retrievable at <http://pemplaybook.org/podcast/blunt-head-trauma/>
30. **Horeczko T** (Author, Host, Producer). (December 1, 2017). Just Say No to These Drugs. [Podcast and Written Summary; safety review of codeine, tramadol, and dextromethorphan with current recommendation]. Retrievable at: <http://pemplaybook.org/podcast/just-say-no-to-these-drugs/>
31. **Horeczko T** (Author, Host, Producer). (January 1, 2018). Ovarian Torsion. [Podcast and Written Summary; underrecognized morbidity in young girls and women]. Retrievable at: <http://pemplaybook.org/podcast/ovarian-torsion/>
32. **Horeczko T** (Author, Host, Producer). (February 1, 2018). Airway Master Moves. [Podcast and written Summary; just-in-time troubleshooting and airway maneuvers in critical pediatric patients] Retrievable at: <http://pemplaybook.org/podcast/airway-master-moves/>
33. **Horeczko T** (Author, Host, Producer). (March 1, 2018). The Fussy Infant. [Podcast and Written Summary; differentiating common, benign conditions from potentially deadly presentations in young, apparently stable infants]. Retrievable at: <http://pemplaybook.org/podcast/the-fussy-infant/>
34. **Horeczko T** (Author, Host, Producer). (April 1, 2018). Hypertension Emergencies in Children. [Podcast and Written Summary; presentations of hypertension in children from benign, to concerning, to critical. Assessment and management]. Retrievable at: <http://pemplaybook.org/podcast/hypertension-in-children/>
35. **Horeczko T** (Author, Host, Producer). (May 1, 2018). EKG Killers: Part One. [Podcast and Written Summary; Recognition of deadly conditions on electrocardiogram; Wolff-Parkinson-White Syndrome and Hypertrophic Cardiomyopathy]. Retrievable at: <http://pemplaybook.org/podcast/ekg-killers-part-one/>

36. **Horeczko T** (Author, Host, Producer). (June 1, 2018). EKG Killers: Part Two. [Podcast and Written Summary; QT Abnormalities, Brugada Syndrome, Arrhythmogenic Right Ventricular Dysplasia]. Retrievable at: <http://pemplaybook.org/podcast/ekg-killers-part-two/>
37. **Horeczko T** (Author, Host, Producer). (July 1, 2018). Concussion. [Podcast and Written Summary; Recognition, pathophysiology, and management of concussion in the emergency department]. Retrievable at: <http://pemplaybook.org/podcast/concussion/>
38. **Horeczko T** (Author, Host, Producer). (August 1, 2018). Strep Throat. [Podcast and Written Summary; Challenging limits of commonly used criteria in favor of global evaluation using likelihood ratios]. Retrievable at: <http://pemplaybook.org/podcast/strep-throat/>
39. **Horeczko T** (Author, Host, Producer). (September 1, 2018). Anaphylaxis in Children. [Podcast and Written Summary; Overview of the evaluation and treatment of life-threatening allergic reactions]. Retrievable at: <http://pemplaybook.org/podcast/anaphylaxis-in-children/>
40. **Horeczko T** (Author, Host, Producer). (October 1, 2018). Knee Pain. [Podcast and Written Summary; detailed audio guide to the examination of the knee, management of common injuries]. Retrievable at: <http://pemplaybook.org/podcast/knee-pain/>
41. **Horeczko T** (Author, Host, Producer). (November 1, 2018). Harpoon or Hook? Deductive Clinical Reasoning: a PEM Primer. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/harpoon-or-hook-deductive-clinical-reasoning-a-pem-primer/>
42. **Horeczko T** (Author, Host, Producer). (December 1, 2018). List or Gist? Inductive Clinical Decision Making: a PEM Primer. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/list-or-gist-inductive-clinical-decision-making-a-pem-primer/>
43. **Horeczko T** (Author, Host, Producer). (January 1, 2019). Guess or Process? Abductive Reasoning: a PEM Primer. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/guess-or-process-abductive-reasoning-a-pem-primer/>

44. **Horeczko T** (Author, Host, Producer). (February 1, 2019). The Notorious VBG. [Podcast and Written Summary; use and misuse of arterial and venous blood gas analyses]. Retrievable at: <http://pemplaybook.org/podcast/the-notorious-vbg/>
45. **Horeczko T** (Author, Host, Producer). (March 1, 2019). Medical Errors Waiting to Happen. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/medical-errors-waiting-to-happen/>
46. **Horeczko T** (Author, Host, Producer). (April 1, 2019). Myocarditis. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/myocarditis/>
47. **Horeczko T** (Author, Host, Producer). (May 1, 2019). [REBROADCAST: Podcast and Written Summary]. Retrievable at:
48. **Horeczko T** (Author, Host, Producer). (June 1, 2019). Mass Casualty Incident. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/mass-casualty-incident/>
49. **Horeczko T** (Author, Host, Producer). (July 1, 2019). Failure to Thrive. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/failure-to-thrive/>
50. **Horeczko T** (Author, Host, Producer). (August 1, 2019). Cyanosis. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/cyanosis/>
51. **Horeczko T** (Author, Host, Producer). (September 1, 2019). Intraosseous Devices and You. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/intraosseous-devices-and-you/>
52. **Horeczko T** (Author, Host, Producer). (October 1, 2019). Neck Masses In Children. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/neck-masses-in-children/>
53. **Horeczko T** (Author, Host, Producer). (November 1, 2019). EtCO2 Masterclass. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/etco2-masterclass/>
54. **Horeczko T** (Author, Host, Producer). (December 1, 2019). Pediatric Sports Injuries. [Podcast and Written Summary]. Retrievable at: <http://pemplaybook.org/podcast/pediatric-sports-injuries/>

92. **Horeczko T** (Author, Host, Producer). (February 1, 2023). [Podcast and Written Summary]. Hemolytic Uremic Syndrome. Retrievable at: <https://pemplaybook.org/podcast/hemolytic-uremic-syndrome/>
93. **Horeczko T** (Author, Host, Producer). (March 1, 2023). [Podcast and Written Summary]. Abdominal Exam in Children. Retrievable at: <https://pemplaybook.org/podcast/the-abdominal-exam-in-children/>
94. **Horeczko T** (Author, Host, Producer). (April 1, 2023). [Podcast and Written Summary]. Wound Care at Home. Retrievable at: <https://pemplaybook.org/podcast/wound-care-at-home/>
95. **Horeczko T** (Author, Host, Producer). (May 1, 2023). [Podcast and Written Summary]. Fontanelle Facts. Retrievable at: <https://pemplaybook.org/podcast/fontanelle-facts/>

96. **Horeczko T** (Author, Host, Producer). (June 1, 2023). [Podcast and Written Summary]. Briefing, Huddling, and Debriefing in the PED. Retrieval at: <https://pemplaybook.org/podcast/briefing-huddling-and-debriefing-in-the-ped/>

O. PAPERS IN PREPARATION (RESEARCH COMPLETED)

1. **Horeczko T**, Berger T, Green JP, Panacek EA. The Shock Index in Triage to Predict Severity of Illness and Risk of Admission.
2. Green JP, **Horeczko T**. Bedside predictors of hyperlactatemia in patients with a suspected infection: a pilot study.
3. Ravera J, **Horeczko T**, Gausche-Hill M. Use of a Clinical Guidelines Board in the Pediatric Emergency Department.
4. **Horeczko T**, McGlothlin A, Tanen DA, Lewis RJ. An Adaptive Design Method for a Minimal-Dose-Finding Trial of Crotalid Venom to Induce Thrombocytopenia without Mortality in a Rat Model.

RESEARCH CONSORTIA

- A. Principal Investigator, Department of Emergency Medicine 2011–2013
UC Davis Medical Center
Asthma vital Signs in Triage: Home or Admission (ASTHmA)
- B. Investigator, Department of Emergency Medicine 2011–2013
UC Davis Medical Center
DECISIVE: Sepsis Study Group
- C. Principal Investigator, Department of Emergency Medicine 2011–2014
and Division of Pediatric Cardiology
UC Davis Medical Center and University of North Carolina-Chapel Hill
Pediatric Emergency Department Screening for Cardiac Risk in the Novel Patient (PED SCReeN)
- D. Principal Investigator, North Coast California Consortium 2011–2013
Transport of Acutely ill and injured Children To Institutions of higher Care from Allied Localities (TACTICAL)
- E. Investigator, ProCESS–Protocolized Care for 2012–2013
Early Septic Shock 2012–2013
UC Davis Medical Center

- F. Senior Consultant, North Coast California Consortium 2013–2018
 Transport of **A**cutely ill and injured **C**hildren **T**o Institutions
 of higher **C**are from **A**llied **L**ocalities (**TACTICAL**)

JOURNAL CLUB

- “Pediatric Head Trauma and Clinical Decision Tools” 10/2011
 With Nathan Kuppermann, M.D., M.P.H. and Leah Tzimenatos, M.D.
