

Advocate Christ Medical Center Emergency Medicine Visiting Student Elective Scholarship Program

The ACMC Emergency Medicine Residency Program and Department of Emergency Medicine are committed to supporting diversity and inclusion in medicine. We are fortunate to practice on the south side of Chicago, serving patients from a wide variety of backgrounds and experiences. We appreciate that a diverse medical team provides superior medical care and enriches our lives.

We are pleased to offer a \$1,000 scholarship in order to defray travel, housing and living expenses during a four-week medical student elective in our emergency department. Housing arrangements are the responsibility of the student. **This year, dates available are between September 16 and October 12, 2019.** More information regarding our elective may be found on our website christem.com.
