MED 09050 Virtual Emergency Medicine Visiting Elective (M4) 2020 – 2021

Course Overview:

During the 2-week Virtual Emergency Medicine Visiting Elective, you are encouraged to gain an understanding of the Emergency Care that occurs at Cooper University Hospital, a Level 1 Trauma Center in Camden, New Jersey. You will be meeting the faculty and residents that work in the Cooper ED. CMSRU Emergency Medicine Faculty will walk you through actual cases that were seen in the Emergency Medicine Department at Cooper Hospital. The faculty will also take you through oral board style white board cases concentrating on differential diagnoses and work-up plans. In addition, students will have access to interactive EM lectures created by faculty. Finally, students will have the opportunity to join in on resident core lectures.
