

President's Report

SAEM Resident & Medical Student (RAMS) Board presents: **President's Report**

Hello SAEM Residents and Medical Students,

Tomorrow is the last day to cast your vote for the 2026-2027 RAMS Board! Please look in your email for a unique voting link sent on January 26 from governance@saem.org so you can make your voice heard. You can view candidate statements [here](#).

ACGME Update

Last week, the ACGME made a big decision to defer the proposed emergency medicine program requirement revisions. Originally, the proposed changes would have been published July 2026 and taken effect July 2027. However, the ACGME Board of Directors deferred implementation of the proposed changes. They will continue a review process, but without a defined timeline for now. We will keep you informed as new updates are shared! If you'd like to learn more, we wrote about the ACGME specialty-specific review process [here](#).
