

SAEM Resident and Medical Student Board presents: **PRESIDENT'S REPORT**

SAEM OPPORTUNITIES:

Welcome to a new class of interns and medical students joining our specialty and organization! My name is Daniel Artiga, and I will be serving you as the President of the SAEM RAMS Board 2025-2026.

Our primary goal is to invest in you with all that SAEM RAMS has to offer: networking, research opportunities, and education!

We are in the midst of residency and fellowship applications – check the links below for ResidencyCAS and fellowship resources!

If you are seeking advice on how to get more involved or encounter any issues signing up, contact me at RAMSPresident@saem.org

I am excited to see what we can accomplish together for academic emergency medicine!

Sincerely,
Daniel Artiga, MD
SAEM RAMS President

Getting Involved

It's free to join SAEM's Academies, Interest Groups, and Committees. Joining is the easiest way to find opportunities to develop your academic EM career. Click the links below to learn more!

[SAEM Academies](#) - forums representing specific interests within EM, ranging from Diversity & Inclusion to Global EM, Ultrasound, Simulation, Pharmacy, and more. Each Academy has its own mission, educational objectives, and activities that support SAEM and RAMS.

[SAEM Interest Groups](#) - over 25 IGs bring together like-minded people with a wide variety of focuses to contribute to the advancement of emergency care through education, research, advocacy, and professional development. This is how many of our didactics at our annual conference get formed.

Sign up for Academies and Interest Groups by [logging into your account](#), going to [Account Settings](#), and selecting "Update Academies and Interest Groups" at the left.

[SAEM Committees](#) - fulfill a variety of tasks under the direction of the SAEM Board of Directors, from planning our annual meeting to developing clinical operations-related best practices, reviewing awards nominations, evaluating fellowships, and more. **Committee sign-ups open on August 27.**

Presenting at SAEM

Abstract submissions for SAEM26 **open November 3, 2025** and close January 5, 2026. Now is the time to start brainstorming ideas or collecting interesting cases/clinical images.
