

## Committee Descriptions

### **Committees - Open for Member Appointment**

#### **Program Committee**

The AEMP Program Committee will help design the AEMP Conference at SAEM24 and build emergency medicine pharmacy content and events within the full SAEM annual meeting. This committee is very active throughout the year, reviewing program materials, events, and activities that will take place at the SAEM annual meeting.

#### **Career Development Committee**

The AEMP Career Development Committee develops tools and resources to assist academic emergency medicine pharmacists throughout the course of their careers.

#### **Communications Committee**

The AEMP Communications Committee will focus on online content, social media, development of a new AEMP Newsletter, and help to develop EM Pharmacist articles within SAEM's *Pulse* magazine.

#### **Membership Committee**

The AEMP Membership Committee is responsible for ensuring that the growing and changing needs of AEMP members are met through the creation and review of membership statistics, surveys, and trends. The Membership Committee also identifies potential new members and develops mechanisms for membership recruitment and retention.

#### **Steering Committee**

The AEMP Steering Committee is responsible for providing guidance, direction, and decision-making oversight for the AEMP Interest Group. This committee's primary role is to set a strategic plan and objectives, make important decisions, allocate resources, and ensure that AEMP stays aligned with its objectives for its members.
