Wayne State University and the Detroit Medical Center in conjunction with the Society for Academic Emergency Medicine are proud to host the 24th Annual SAEM Midwest Regional. We are located in the heart of Detroit, MI, where many of the legends of emergency medicine - Dr. Ronald Krome, Dr. Judith Tintinalli, Dr. Brooks Bock, and Dr. Blaine White - have called our department their home. We host two separate EM residency training programs at Detroit Receiving Hospital and Sinai-Grace Hospital. Our department is honored to once again host the SAEM Midwest Regional and proudly welcome you to Detroit.

Welcome to
Detroit
The Renaissance City
Founded 1701

Detroit is a city of many names. The Renaissance City. The Motor City. Motown. Hockeytown. **Detroit** is a symbol of urban decay and urban renewal, proud of its rich industrial history. Hidden gems lie throughout our city. *Love art and music?* Check out the **Detroit** Institute of Arts, Charles Wright African American Museum, **Detroit** Symphony Orchestra, Fox Theater, **Detroit** Opera House, or Motown Museum. *Sports fan?* The Tigers, Lions and Red Wings play in downtown **Detroit**. *Risk taker?* Greektown Casino, MGM Casino and Motorcity Casino are the place to be. *Hungry?* There's a lot of great places to eat in **Detroit**, but a **Detroit** coney dog is a must! Have fun in the D!

Ford Field opened in 2002 as the home of the NFL's Detroit Lions. The stadium design incorporates a six-story former Hudson's warehouse originally constructed in the 1920s. Ford Field hosted Super Bowl XL in 2006 and the NCAA Basketball Final Four in 2009.

Ford Field is proud to be the venue of the 2014 SAEM Midwest Regional.
